REPORT OF THE BOARD OF SELECTMEN

To the Citizens of the Town of Milford:

The following report is submitted for the fiscal year ending June 30, 1981.

During the year 1980-1981 the Board of Selectmen continued its effort to attract viable, non-polluting industry to the Town of Milford. In December 1980 the Board signed a purchase and sale agreement with Data General for construction of a 200,000 square foot facility in a 103 acre industrial park, previously approved under Chapter 121B urban renewal enabling legislation. A 121A negotiated tax agreement was signed on January 5, 1981. Over 700 jobs with an estimated annual payroll of \$11 million dollars are anticipated within the first year of operation. Data General's building should be ready for occupancy in spring of 1982.

Another major industrial area adjoining Data General's site will also be developed by 495 Associates of Bedford, Massachusetts. To be known as the Milford/Bellingham Technology Park at 495, parcels totaling 415 acres will be developed on "build-to-suit" arrangements with options to purchase. It is expected that when fully developed, this major park will provide up to 3,000 jobs, thereby further strengthening Milford's economic base.

During this period the Board of Selectmen was involved in the process of selecting a cable television franchise for the Town of Milford. Pursuant to regulations promulgated by the Cable Antenna Television Commission, the Board solicited applications nationally, requested submission of amended applications and conducted public hearings. A seven-member cable television advisory committee was appointed to advise the Board relative to the more technical aspects of the cable television field. In May of 1981 the Board awarded the franchise which is expected to begin construction in the spring of 1982.

Budget preparation for the fiscal year 1982, initiated during the winter months of 1980, was a difficult, yet challenging task for the Board, the Finance Committee and all elected and appointed officials as Proposition 2½ went into effect, restricting the amount the Town could raise in property taxes. The Selectmen want to express its thanks to all parties for their cooperation during these trying times, and ask for a continued cooperative effort in the future to assure the growth and prosperity of the Town of Milford.

REPORT OF THE CAPITAL PLANNING COMMITTEE

To the Honorable Board of Selectmen and the Citizens of
Milford:

The following projects were submitted to the Com-
mittee for favorable consideration in 1981:

Reroute drainage system at E. Main and Meade
Streets to eliminate a serious water problem in the Cook,
Hayward and Mr. Pleasant Streets area. The total cost of
the above project would be \$21,406 since \$3,600 has al-
ready been approved for the Cook Street area. The net
cost would be \$17,806.

Reconstruct and widen Camp Street from Purchase
Street, a distance of approximately 1700 feet. Total cost
of the project is \$73,288.50. The developer Bella Massi
has come to an agreement with the Planning Board to
put in escrow \$20,500 resulting in a net cost to the town
of \$52,788.50.

Install drainage from Sumner Street to Purchase
Street, Dilla Street to Fountain Street and Fountain
Street from Purchase Street to Eden residence to pre-
vent flooding of houses in the area. The total cost of the
project is \$57,079.75. An agreement between the Plan-
ning Board and the developer, Alfred Carboni, resulted in
the amount of \$15,000 being placed in escrow for use by

the Town towards the completion of the work, resulting
in a net cost to the Town of \$42,079.75.

The Library Building Committee is proceeding with
plans to construct a new facility at the location of the
Spruce Street School and Milford Tool & Die Company.
They have \$19,000 for preliminary plans and are looking
for 100% Federal funding. Total cost of the project
would be \$1,920,000.

The Sewer Department would like to replace its
12-year old jet with a new one at the cost of \$40,000.
They calculate it will cost \$4,375 to repair the old one.

The Park Department cites a constant shortage of ball
fields and requests \$25,000 to construct a new softball
field at Rosenfeld Park.

The Milford School Committee is studying the possible
renovation of the Middle School West (66 School Street).
No exact cost figure is available, but it is expected to be
in the vicinity of \$1,000,000.

The Board of Selectmen desired to transfer funds ap-
propriated for the industrial complex on Bear Hill.
\$256,000 was appropriated for the installation of water
and sewer. Since Data General has agreed to pick up the
costs of these services, it is now desired to use this
money to repair and widen Beaver Street from Route 109
through Maple Street back to Beaver Street a total of
about 7000 feet of roadway. These amounts would then
be subject to 100% Federal or State reimbursements.

In light of Proposition 2½ whereby the Town is at-
tempting to raise operating funds with a minimum reduc-
tion of personnel, the Capital Planning Committee has
voted unfavorable action on all proposals except the
transfer of funds for the Bear Hill Industrial Project since
these funds have already been appropriated.

REPORT OF THE TOWN CLERK

To the Honorable Board of Selectmen and the Citizens of Milford:

Submitted herewith is the Annual Financial Report of the Town Clerk and the Elections, Registrations and Town Meetings Departments. Also, records of all Elections and Town Meetings held during the fiscal year ending June 30, 1981 are included. Readers will note that in reporting the Town Meetings, only the article and final action taken are shown in this report. For a complete and detailed report of all Town Meeting proceedings the official record on file in the Town Clerk's Office should be consulted.

Special thanks for their able assistance is extended to Assistant Town Clerk, Anna M. Beyer and Clerk-Typist, Celia E. Marengi. Also, to former members of the office staff, Janice Consoletti and Marion Sweeney, both retiring in fiscal 1981.

At this time I would also like to thank the members of your Board and all other departments for their help and cooperation during the year.

REPORT OF THE CONSERVATION COMMISSION

To the Honorable Board of Selectmen and the Citizens of Milford:

The Conservation Commission respectfully submits the following report for the fiscal year ending June 30, 1981.

The 1981 fiscal year was notable as a year of endings for the Conservation Commission. Proposition 2½ necessitated substantive reductions in the Commission's FY 1982 budget leading to the elimination of many of our programs for the community. Regretably we finished the fiscal year without the valuable services of a Town Engineer on a full-time basis. The Commission strongly believes that readily available engineering expertise is essential for maintaining orderly growth and development as well as environmental protection.

Among the programs which had their final year were the following:

1. The Commission conducted its last annual Fishing Derby at Louisa Lake in May. Louis Espanet was there assisting the children and sharing his expertise.
2. The Flowering Crab Tree Program, chaired by Verna Cahill, chose the area around the new Louisa Lake Dam for beautification.
3. Our popular Seedling Program, chaired by Ken Nigro, also had its last year.

The Commission regrets the loss of these programs and hopes in the future that some can be re-instituted.

On the positive side the Commission was gratified to see the successful completion of the Louisa Lake Dam. The new dam offers flood protection and provides a recreational and potential water resource for the Town of Milford.

The Commission became embroiled in the gypsy moth controversy this year. Despite the devastation of our foliage in May and June, the Commission was opposed to spraying with the chemical Sevin because of its potential toxicity. It is the hope of our Board that safer methods can be utilized to control future infestations should they occur.

Under the statutory authority of the Wetlands Protection Act, the Commission conducted public hearings and

issued new Orders of Conditions on twelve projects ranging in size from single family house lots to large subdivisions to major industrial complexes. Many of these on-going projects are in varying stages of completion. Countless hours were spent reviewing data, doing inspections and writing Orders.

The Commission spent several months working with Planning Assistant Martin Goldstein putting together draft regulations for a new wetlands by-law for the Town only to be held up due to the re-drafting by the state of its new regulations under Chapter 131, Section 40. We hope to get back to work on this as soon as the state law has been revised. A clearly defined wetlands by-law would serve to protect our resources by delineating the critical areas which must be protected.

As Chairman I would especially like to acknowledge the time and effort expended by all of the Commission's members over the past year. Special thanks go to Verna Cahill for her unfailing support, dedication and unselfish giving of her time. Rosemarie Parente should also be recognized for the many hours she puts in preparing for our meetings, handling correspondence, phone calls and other secretarial duties.

REPORT OF THE COUNCIL-ON-AGING

To the Honorable Board of Selectmen and the Citizens of Milford:

The Council-on-Aging respectfully submits the following report for the fiscal year ending June 30, 1981:

The members of the Council-on-Aging during the year 1981 were as follows: Adam Diorio, Chairman; Clifton Tyler, Vice Chairman; Catherine Curtin, Treasurer; Emma Barry, Secretary; Mary Goddard, Rita Mawn, Sophie Salvia, Jean Brattin, Joan Bagaglio, Dorothy Smethurst, Inez Stevenson, Martha Federici, Mae Doherty, Mary Costantino and John Coronato.

The Council met monthly during the entire year, meeting on the second Tuesday of each month, at 10 a.m., at the Senior Citizen Drop-In Center, continuing in an advisory and supportive capacity to our Activity Coordinator to the Elderly, June Iadarola.

I am pleased to report that the Milford Council-on-Aging, through the combined efforts of all its members, have provided weekly bingo parties, Arts and Crafts classes, exercise classes, pokeno games, activities day for men, blood pressure clinic, diabetes clinics, and glaucoma clinics, as well as other health programs. Also numerous day trips, over-night trips, plus shopping bus, bowling, para-legal service and dental clinic. The Council is also sponsoring the Vial of Life Program, which is being offered to all Milford Senior Citizens, as well as handicapped and those living alone. The Arts and Crafts group have also adopted the Milford Medical Home as an outreach project. Also added this year, is our monthly Newsletter.

Various members also attend many meetings, such as: Blackstone Valley Elder Consortium, of which our Chairman is President, Central Massachusetts Association of Councils on Aging (CMACA), Region II Area Agency of Aging, Elderly Home Care Advisory Council meetings and others. Some members also attend workshops and classes of various kinds.

The Council is pleased to report that Adam Diorio, our Chairman, has been elected to the Silver-Haired Legislature, as Representative, and will represent the Towns of Milford, Medway and Upton, on Senior Citizen legislation.

The Mini-bus has been responsible for increased shopping, center and nutrition transportation and medical transportation.

Concentrated efforts of acquiring a new Senior Citizen Multi-Purpose Center is our major goal. We are hoping that it will be a reality in the very near future.

We wish to thank the Honorable Board of Selectmen, their Executive Secretary, Judith Sparrow, and other town departments for their cooperation during the fiscal year ending June 30, 1981.

REPORT OF THE DOG OFFICER

To the Honorable Board of Selectmen and the Citizens of Milford:

In accordance with Massachusetts General Laws, Chapter 140, Section 152, I hereby submit this report for the fiscal year ending June 30, 1981.

Dogs caught (living)	186	Mouse	1
Dogs removed (dead)	47	Pheasant	1
Dogs put to sleep	40	Pig	1
Cats caught	7	Possums	13
Cats removed	65	Rabbits	2
Other animals (living or dead):		Raccoons	6
Cows	2	Rats	4
Goats	2	Skunks	4
Gophers	2	Squirrels	11
		Woodchuck	1

In the past year, this department has come a long way. With newly established laws and fines, the task of controlling the animals of Milford is finally moving forward.

Currently, we have more dogs licensed than in any other year and before the next licensing period, there will be almost total licensing, since we plan to use a computer to process a list of all the delinquent dog owners in Town.

I would again like to thank those people who abide by the laws and all the town employees who have helped me many times.

REPORT OF THE EXECUTIVE SECRETARY/ PURCHASING AGENT

To the Honorable Board of Selectmen and the Citizens of Milford:

The following report is submitted for the fiscal year ending June 30, 1981.

Several projects under the direction of this office continue to progress, including the purchase of supplies for town buildings under the State Collective Purchasing Program, pursuit of funding for a new senior citizens

center, and the consolidation of postal services for Town Hall. A newly purchased postage meter will enable large volume mailings such as tax bills to be presorted with significant cost savings. The traffic study for installation of new traffic controls at East Main, Cedar, and Middleton; East Main and Beach; Main, North Bow, and Winter; and Main, South Main, Water, and Congress, is nearing completion with construction scheduled for 1982.

I want to thank all Town employees for extending their cooperation to this office over the past year.

REPORT OF THE FIRE DEPARTMENT

To the Honorable Board of Selectmen and the Citizens of Milford:

I hereby submit the following Report for the fiscal year ending June 30, 1981.

To this date, no corrections have been undertaken at the New High School yard hydrants. As of August this year, the Fire Alarm System at the New High School was finally repaired. No corrections have been undertaken at the Middle School "West" as to the Fire Alarm System being made to comply with the Mass. Building Code. To date, the Fire Department does not have a Clerk/Secretary because the Board of Selectmen are trying to usurp the authority of the Fire Chief by making an appointment of their own. The conditions of the Fire Stations have not changed in any regard, both Stations are on heavily traveled roadways, in highly congested sections of Town. Our apparatus is fairly new, but we should consider changing our gasoline engines for diesel engines, doing one truck each year.

The present manpower levels in the Fire Department will severely hamper our training and our ability to handle any fire situation. Once cold weather arrives, we will suffer greater delays in getting manpower to any fire scene, with the greater loss of property and maybe lives. Manpower, off duty, and coming from their homes, will further be delayed, while they clean off their windshields and shovel out their drives. Every person in the Town should be aware of the fact, that there are only drivers working and on duty 24 hours a day, with one officer. There is no one to handle hose lines or to make a rescue until an off-duty firefighter arrives at the scene.

To the Honorable Board of Selectmen and the Citizens of Milford:

The Board of Health submits the following report for the fiscal year ending June 30, 1981.

We would, at this time, like to take this opportunity to thank Dr. Carl BonTempo for his many years of service as the Board of Health Physician and wish him continued good health and luck. We thank Mr. Joseph Comastra for his many years of service to the Town and for his conscientious, above-reproach operation of the Transfer Station. We wish him a long and happy retirement. Also, the Board thanks all town departments and the citizens of Milford for their cooperation during the past year. We anticipate, in the very near future, the opening of our new transfer facility which will accommodate the dumpsters, now located at the landfill site.

EQUIPMENT RENTAL

The Town of Milford has a contract with McCarthy Municipal Lease Co. to rent four pieces of equipment for five years at \$34,200.00 per year. At the end of this contract the Town of Milford will own the vehicles.

SNOW REMOVAL

The total snow fall for the fiscal year of 1981 was 34". We had twenty storms that gave us ice problems. Due to

an increase in hourly rates for hired equipment we did not remove snow from the business area and narrow dead end streets. Because of the increase in rates for labor and equipment and the decrease in our appropriation, we must limit our snow removal program even further in the future. We will have to concentrate on plowing streets only to keep the traffic moving. We will not be plowing sidewalks and picking up snow like we did in the past.

CONSTRUCTION

The above account covers expenses incurred to maintain, repair and replace roadways in the Town of Milford. Also covered are repairs to the Godfrey Brook, rebuilding sidewalks and replacing drains wherever necessary.

SUPPLIES

This appropriation is used to maintain and repair all our equipment. We purchase gasoline and oil for our vehicles with this money. Included in this account is a clothing allowance for each employee of the Highway Department. This account also covers the cost to maintain and repair or replace all street and square signs in the Town of Milford. At present we have 430 street signs and 75 square signs. On most streets there are two street signs so we can average out the number of signs maintained to approximately 800.

COMMUNICATIONS & UTILITIES

This appropriation covers expenses for the telephone, electricity, water, fuel oil for the building, advertising for material bids and all repairs made to our two-way radio system. This account also covers all our postage costs.

ADMINISTRATIVE EXPENSES

The above account covers expenses for office supplies, insurance and registration on all equipment, association dues and rent paid to house equipment that is used only seasonal.

Respectfully submitted,
Ronald F. Speroni, Highway Surveyor

REPORT OF THE HISTORICAL COMMISSION

To the Honorable Board of Selectmen and the Citizens of Milford:

The Historical Commission submits the following report for the fiscal year ending June 30, 1981.

During the past year the Commission has undertaken several projects. A G.A.R. safe dated 1890 was opened by a lock company. The gold leaf vault contained personal letters of Civil War Veterans and complete G.A.R. records from 1867-1929. This safe is housed in the auditorium of Memorial Hall, which is under the jurisdiction of the Commission.

Money has been spent on photo displays and picture cataloguing. Plastic photo inserts have been used to display, identify, and catalogue over 500 pictures of our Town.

Upon completion of the Bicentennial Book, the Commission has taken on the project of restoring the Old Brick School House. This past fiscal year the Town Meeting had approved an article on the warrant to construct a new roof on the building. The commission has also allocated a portion of its budget to glass all windows and to purchase shutter material. We hope to completely close the building for the winter.

REPORT OF THE PLANNING ASSISTANT

To the Honorable Board of Selectmen and the Citizens of Milford:

Herewith, I submit the report of the Planning Assistant for the fiscal year ending June 30, 1981.

This office has been involved in many projects which were begun last year and which have now progressed from the planning stage into implementation. The success of these projects is attributed to the wide support of the Milford public and the fine cooperation and interaction of many boards and officials.

The culmination of a cooperative effort by many boards was realized when Data General Corp. purchased the entire Urban Renewal area and the Town Meeting approved the necessary industrial zoning changes. This office works closely with Data General officials toward the eventual opening of the \$6.8 million, 257,000 square foot field engineering support and administration center that will provide 1200 new jobs.

Working closely with state officials, the town has been able to offer very attractive incentives for industry to locate in Milford. As a result of our efforts many industrial firms and developers have expressed a renewed interest in Milford. New developments expected this year include a 200 room motel on Beaver Street, the development of over 500 acres of industrial land that was recently purchased by industrial developers, and the construction of an industrial access road that would reconnect Beaver Street to Route 109.

The HUD Home Rehabilitation Program has provided funding for over twenty families in the downtown area to do restoration and weatherization on their homes. An expected 35 more families can take part in this program this year. Furthermore, much private revitalization has

occurred in the Target Area, restoring existing housing stock as well as providing business for contractors, suppliers, electricians, and plumbers.

This office participated in data collection and a land use survey as part of the Downtown Revitalization Study, funded by the state, which provided new insights, ideas, and information on traffic circulation, parking, and urban design issues in the downtown Commercial Area Revitalization District (CARD).

REPORT OF THE PLANNING BOARD

To the Honorable Board of Selectmen and the Citizens of Milford:

The following report is submitted for the fiscal year ending June 30, 1981.

The Planning Board continues to devote extraordinary amounts of time and effort to the demanding requirements of its responsibility. Numerous special meetings, in addition to regularly scheduled sessions, have been necessary to deal with all the matters submitted to the Planning Board.

During this past fiscal year the Planning Board conducted ten public hearings relative to zoning amendments, a hearing pertinent to utilization of Chapter 121A of the Massachusetts General Law by Data General and five site plan review hearings.

Three subdivision definitive plan public hearings were conducted and many preliminary plans were reviewed. All the foregoing activities were additional to the "routine" matters constantly before the board.

Due to budget restrictions imposed by Proposition 2½, the board has lost the services of a Town Engineer and has been utilizing a consultant engineer. Fortunately

the former Town Engineer, John Parmentier, is presently our consultant, thereby providing background, experience, and continuity in the countless complex areas before the board. Inevitably and regretablely, delays are occurring. However, we must all respond to these difficult budgetary restrictions with patient understanding.

On a more positive note, we collected \$1,100.00 for inspection fees which was placed in the General Fund.

REPORT OF THE POLICE DEPARTMENT

To the Honorable Board of Selectmen and the Citizens of Milford:

It is my pleasure to submit the following report of the duties performed and the monies expended by your Police Department during the fiscal year 1980-1981.

I also extend my sincere gratitude for the excellent and continuous cooperation extended to me and this department by all other department heads, boards, committees and their staff members and herewith pledge our continuing efforts for the safety and protection of all.

FY 80-81 was one of extreme sadness in that on December 10, 1980, Sergeant Walter F. Conley gave his life in the line of duty. He was a valued member of this department and will be long remembered by this department, his family, and friends having served the Town of Milford for thirty-one years. His memory will be perpetuated through a scholarship extended to future deserving graduates of Milford High School.

REPORT OF THE REDEVELOPMENT AUTHORITY

To the Honorable Board of Selectmen and the Citizens of Milford:

It is my pleasure to submit this report of activities and accomplishments of the Redevelopment Authority for the fiscal year ending June 30, 1981.

This past year saw the redevelopment of two major areas in the Town of Milford that occurred in two physically different areas, the Bear Hill Industrial Park and Milford's downtown business district. While the down-

town area is in the planning state, the industrial sector's plans have been accepted by the Town, have taken root and are currently under construction. This has been a successful year for this Board in seeing the fruition of planned redevelopment activities. We sincerely hope that it continues for the social and economic well-being for all the inhabitants of the Town.

Continuing their efforts to generate revitalization activities in the downtown, the Redevelopment Authority successfully applied for and received \$12,000.00 from the Executive Office of Communities and Development (EOCD) as part of an Urban Renewal Planning Grant to investigate existing and proposed parking needs, traffic, architectural and urban design features and shortfalls of the downtown. In June, the Special Town Meeting matched the 25% share of the state's grant for \$4,000.00, thus totaling the sum to \$16,000.00. After an exhaustive search for planning consultant, the MRA contracted with the engineering firm of Vanasse/Hangen Assoc. for the parking and circulation component of the plan and the urban design firm of City Design Collaborative for the architectural component of the report. A draft copy was presented to the MRA in August and in September, the final report will be presented to the Town featuring recommendations for a coordinated and implementable plan for revitalizing the downtown image and improving accessibility and parking to enhance Milford's Central Business District. Through the year, the Authority and both firms held many hearings with representatives of downtown retailers and merchants and the general public to solicit ideas and recommendations.

This year also saw the successful completion of the Land Assembly/Redevelopment Project for the Bear Hill Industrial Park which enabled the Town to acquire, assemble and offer 107 acres of industrial land for proposed development. After the Chapter 121B Urban Renewal Project was approved by EOCD, the Town received the necessary funds at Town Meeting to acquire the parcels and to extend utilities. In May, the entire parcel was sold to Data General, a Fortune 500 high tech firm which anticipated providing over 1200 new jobs to Milford. The construction of a \$6.8 million, 257,000 square foot field engineering support and administration center is currently underway with the added assistance of a Chapter 121A tax agreement. The groundbreaking, attended by Governor Edward King, Secretary of EOCD Byron Matthews, Secretary of Environmental Affairs John Bewick, and Secretary of Commerce and Development George Kariotis, as well as many Milford boards and officials, was held at Waters Associates amidst much fanfare.

The Authority is continuing to work with state departments to insure the industrial access road that would reconnect Beaver Street to Route 109. As a result of Milford's aggressive and innovative approach to industrial development, many new and impressive firms have been attracted here and substantial portions of industrial land have been sold and are undergoing new development planning for industry and commercial enterprises.

The MRA wishes to express their sincere appreciation to all of the many boards and officials in the Town who have had to work together to realize those successes and the new positive attitude towards development. In particular, we would like to thank Martin Goldstein, our

Planning Assistant and Gerald M. Moody, Town Counsel, who have unselfishly given our Board so much of their time and professionalism. Lastly, let us thank you, the residents, who have continually given us your support so that we could realize our goals.

Respectfully submitted,

Leonard A. Izzo, Secretary
James V. Parente, Chairman

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Honorable Board of Selectmen and the Citizens of Milford:

The School Department submits the following report for the fiscal year ending June 30, 1981.

The passage of Chapter 580 heralded the drastic curtailment of the Milford Schools' programs, staff and facilities. While some of the cuts would have been made due to declining enrollment, the reduction in force of fifty-eight professionals and similar number of nonprofessionals far exceeded any normal staff adjustments.

The lengthy and wrenching experience of determining who must go and how, cannot be minimized. It must be left to the future to determine if the sacrifices will be worth the results and whether or not the forecasted financial stability will be the outcome.

Plains School was closed as were the two Purchase Street buildings and the Memorial School portables, plus the Administration Building at 15 Winter Street. These buildings were turned back to the Town. Stacy School was also closed but retained by the School Department for possible future needs.

In spite of the turmoil generated by the implementation of the Chapter 580, education did proceed apace throughout the school year. Reflective of this, for example, are the Iowa Basic Skills scores. All these grades remained in the same percentile, showing no regression, with Grade 4 Median I.Q. reflected an increase.

Similar progress or absence of regression of scores, occurred elsewhere in the system and were indicative of the consistent efforts of the entire administrative and teaching staff and support personnel to augment the learning process of the children of Milford in spite of the whirlwind of budgetary cutting that swirled about them.

The past year was the busiest budgetarily and administratively, for the School Committee and the Central Office, filled with uncharted terrain which had to be traveled to the detriment of some and the anguish of all.

The seven-member School Committee deserves the thanks of all of us for their selfless devotion to the needs of the children of Milford throughout 1980-81.

Respectfully submitted,

Dr. James J. Buckley, Jr.
Superintendent of Schools

REPORT OF THE MILFORD COMMUNITY SCHOOL USE PROGRAM

To the Honorable Board of Selectmen and the Citizens of Milford:

The following is the report of the Milford Community School Use Program for the fiscal year ending June 30, 1981.

Our main objective again this year was to provide the best educational, recreational, and cultural program for the citizens of our community. Towards this goal, I am

pleased to report that our Adult Education program was again self-sufficient, the Theatre Guild and Community Chorus again performed in a professional and rewarding manner, and our recreational activities were enjoyed by many citizens. All in all, our objective has been achieved.

I would like to extend my appreciation to the School Committee, the Superintendent of Schools, the Milford School System, and the many other town boards and agencies for their continued support and cooperation.

Finally, I would again especially like to thank and commend the eighteen-member Community Use Committee for their tireless efforts in seeking to provide a comprehensive program for our residents.

REPORT OF THE SEALER OF WEIGHTS & MEASURES

To the Honorable Board of Selectmen and the Citizens of Milford:

I submit my report as Sealer of Weights and Measures for the fiscal year ending June 30, 1981.

In compliance with the provision of M.G.L. Chapter 98 Section 41 as amended, I notified all persons that scales, pumps and measuring devices for the purpose of buying and selling goods are to be tested, adjusted, and if need be, sealed. I then inspected all places of business in the Town of Milford.

Sealing fees are turned over the the Town Treasurer. I wish to thank the honorable Board of Selectmen and the public for their cooperation during the past year.

REPORT OF THE SEWER COMMISSIONERS

To the Honorable Board of Selectmen and the Citizens of Milford:

The Board of Sewer Commissioners respectfully submit this report on the Milford Sewer System for the fiscal year ending June 30, 1981.

COLLECTING SYSTEM, PUMPING STATIONS AND FORCE MAINS

Routine maintenance was performed on the street sewers and service connections as required and in response to service calls.

Permits for 67 service connections were issued, which brings the total number of service connections to 4,752.

Extensions of street sewers were completed by private developers on Caroline Drive Extension and off James Street. The total length of street sewers is now approximately 49.89 miles.

A badly deteriorated section of sewer was replaced in Congress Street.

Televised inspection of the sewer system was completed this year and a federal and state grant has been applied for to replace those broken and leaking pipes which were found. This effort is part of a continuing program to reduce the amount of extraneous water entering the system.

In addition to routine operation and maintenance of pumping stations, the pumping equipment at the Birch

Street Pumping Station was replaced to increase the station's total capacity and reliability.

The station's force main was also extended past the East Main Street Pumping Station to reduce overall pumping costs and conserve energy.

SEWAGE TREATMENT PLANT

Periodic analyses were made throughout the year on the treatment plant flow, BOD of the influent and effluent, suspended solids, temperature, chlorine residual and total coliform. Summaries of the analyses were submitted to the U.S. E.P.A. in conformance with the discharge permit requirements.

Monthly average flows and effluent BOD were as follows:

Month	Flow Ave. M.G.D.	Plant Effluent B.O.D. mg/1	Month	Flow Ave. M.G.D.	Plant Effluent B.O.D. mg/1
1980			1981		
July	1.73	51	Jan.	1.58	44
Aug.	1.86	39	Feb.	2.76	45
Sept.	1.46	40	Mar	2.99	33
Oct.	1.43	50	Apr.	2.62	42
Nov.	1.70	38	May	2.36	27
Dec.	1.86	49	June	1.79	35

Yearly average Flow = 2.01 M.G.D.
Yearly Average B.O.D. = 41 mg/1

Competitive bids were advertised and received for treatment plant supplies including chlorine, ferric chloride, lime and fuel oil, for FY 1980-81.

Design of the additions and improvements to the treatment plant are proceeding. Construction of the new facility is expected to start in 1982.

REPORT OF THE VETERANS' DEPARTMENT

To the Honorable Board of Selectmen and the Citizens of Milford:

The Veterans' Department submits the following report for the fiscal year ending June 30, 1981.

The growing concern of those who strive to meet the rights and privileges for veterans and their dependents, with reduction of funding, is a critical problem. If a thorough study was made, focusing on the past allocation of funds, benefits provided those who served our nation to the present time would reveal that the cost to our tax payers has declined steadily without Proposition 2½. Other government agencies, in fact, have vastly increased.

In preparing our budget, every line item request was made in the best interest of the taxpayer. The lack of funding of two clerks within the department will greatly affect the operation of our department in servicing our clientele on an individual basis. Therefore, it is vitally important that a solution be found to overcome this loss.

In the past fiscal year, the Veterans Administration expenditure to the Town of Milford's veterans and dependents, for compensation, pensions and educational benefits amounted to \$1,799,137.00. It is worthy to note that this expenditure does not reflect the savings brought about by veterans hospitalized, or treated on an outpatient basis at a VA facility. In view of the cost of medical care, in these times, this could be staggering. In view of dramatic changes now in effect relative to eligibility of veterans being admitted to VA medical facilities, we see more and more of this expense being borne by local communities. Priorities used in admission to VA hospitals are:

1. Wartime service-connected cases
2. Active duty service-connected cases
3. War Veterans with non-service connected disabilities
4. Emergency cases.

AVERAGE AGE OF VETERANS TODAY

World War I	84.9 years
World War II	61.0 years
Korean Conflict	49.6 years
Vietnam	33.4 years

OUR OBLIGATION AND DUTIES

The establishment of Veteran's Services throughout the Commonwealth of Massachusetts was insured by the enactment of Chapter 599, in the year 1946, by the Commonwealth.

The Town of Milford's Veterans' Service Department is now staffed by one clerk (Assistant to the Director) and a director of Veterans' Services. The loss of two clerks has placed a tremendous load on the departments present staff, services must be cut back at the expense of our worthy veterans and their dependents but we will endeavor to maintain the high quality of service that the veterans of Milford deserve and received prior to Proposition 2½.

The Veterans' Service Department handles the numerous questions and problems relating to a veteran's entitlement to Federal and State Programs. This is a great asset to the community, by bringing into each com-

munity new money by assisting veterans and dependents in obtaining monetary benefits from State, or Federal Government, it reduces local expenditures by placing the responsibility where it belongs.

The services made available by the Veterans' Service Department, in behalf of veterans and their dependents, are great in number and variety and often complex. Therefore, I will only cover the highlights of some of the services and activities.

The program of most importance to the taxpayers is Veterans' Benefits. This program is not charity, but on the other hand, it is not a pension either. Summed up, it is a privilege available to those who meet these major requirements — honorable service in time of war, worthiness and need. This department acts as a disbursing agency for this type of assistance and is reimbursed 50% by the Commonwealth of Massachusetts.

The community is assured of a cautious outlook on expenditures made by this department. The main reason for applying for assistance of this type is unemployment. This is especially true of our younger veterans.

Under State statute we are compelled to record discharges of veterans who entered and returned to the Town of Milford. At the present time we have been fortunate in the recording of discharges. It can safely be stated that we have recorded 99% of our discharged veterans.

Veterans Administration Compensation and Pension claims are filed through our office. This office acts as a liaison between the Veterans and the Veterans Administration.

Compensation is filed for veterans who have a service-connected disability.

Pensions are filed for veterans with a non-service-connected disability, widows and children and dependent parents. Compensation and pension claims are very complex. In order to properly complete the necessary forms, information and details should be obtained from our department.

Burial claims for our veterans are at times neglected by the veterans dependents. The Federal Government allows \$450.00 for burial. The Federal Government also furnishes markers for the veteran's grave.

I would like to take this opportunity to thank all those who have extended a helping hand in assuring our veterans and their dependents of services they are justly entitled to.

Thanks to my staff, before Prop 2½, for their understanding and outstanding work which has insured our veterans a speedy adjudication of their claims.

In closing, may I state that there has been a steady increase in veterans' problems. The Veterans Service Department of Milford stands ready to meet any demands made of our department and I assure the veteran that prompt, efficient and courteous service will be granted at all times to any problem that he, or she may be confronted with.

- SENATOR IN GENERAL COURT
- Worcester and Norfolk Senatorial District
- REPRESENTATIVE IN GENERAL COURT
- 10th Worcester Representative District
- COUNTY COMMISSIONERS (2) Worcester County
- SHERIFF Worcester County
- VACANCY
- REGISTER OF PROBATE AND INSOLVENCY
- Worcester County

And to vote upon the following ballot questions:

QUESTION 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the Constitution summarized below, *which was approved by the General Court in joint sessions of the House of Representatives and the Senate on September 7, 1977, by a vote of 262-1, and on May 28, 1980, by a vote of 192-0?*

YES	
NO	

SUMMARY

The proposed amendment would add a new article to the state Constitution which would prohibit discrimination against handicapped people. It would provide that no otherwise qualified handicapped individual could, on the sole basis of that handicap, be excluded from participation in, denied the benefits of, or subjected to discrimination in any program or activity.

QUESTION 2

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, *which was disapproved by the House of Representatives on May 6, 1980, by a vote of 5-146, and on which no vote was taken by the Senate before May 7, 1980?*

YES	
NO	

SUMMARY

The proposed law would limit certain taxes, and change laws relating to school budgets and compulsory binding arbitration. It would impose a limit on state and local taxes on real estate and personal property equal to 2½ % of the full and fair cash value of the property being taxed. If a locality currently imposes a tax greater than 2½ % of that cash value, the tax would have to be decreased by 15% each year until the 2½ % level is reached. If a locality currently imposes a tax of less than 2½ %, it would not be allowed to increase the tax rate. In either situation, a city or town could raise its limit by a 2/3 local vote at a general election.

The proposed law would provide that the total taxes on real estate and personal property imposed by the state or by localities could never be increased by more than 2½ % of the total taxes imposed for the preceding year, unless two thirds of the voters agreed to the increase at a general election.

It would further provide that no law or regulation which imposes additional costs on a city or town, or a law granting or increasing tax exemptions, would be effective unless the state agrees to assume the added cost. A division of the State Auditor's Department would determine the financial effect of laws and regulations on the various localities.

The proposal would limit the amount of money required to be appropriated for public schools to that amount voted upon by the local appropriating authority. It would also repeal the law which provides for compulsory binding arbitration when labor negotiations concerning police and fire personnel come to an impasse. In addition, the petition would provide that no county, district, or authority could impose any annual increase in costs on a locality of greater than 4% of the total of the year before.

The proposed law would also reduce the maximum excise tax rate on motor vehicles from \$66 per thousand to \$25 per thousand, and it would allow a state income tax deduction equal to one half of the rent paid for the taxpayer's principal place of residence.

QUESTION 3

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, *which was DISAPPROVED BY THE House of Representatives on May 6, 1980, by a vote of 2-147, and on which no vote was taken by the Senate before May 7, 1980?*

YES	
NO	

SUMMARY

The proposed law would limit local property taxes and state taxes and would provide for increased state aid for local educational purposes.

The act would limit local property taxes in the years 1981 through 1984 to the amount levied in the previous year increased by the percentage increase in personal income of the residents of the Commonwealth during the previous year. The local property tax limit could be exceeded to offset decreases in local aid, to cover shortages for prior years and to pay court judgments. Pension and retirement allowances, payments to other governmental units, principal and interest on any indebtedness, unemployment compensation, amounts required to be raised as a condition of a state or federal grant, and costs for special education programs would be excluded from the property tax limit.

These local limits would be reduced by any excess taxes actually collected over the tax limit for the preceding year. The limit would not apply to any municipality having a general tax rate of less than \$35 per thousand of equalized valuation. The tax limit could be exceeded by a two-thirds vote of the local appropriating body.

The cost of regional and independent vocational schools would be subject to the same limitations.

The proposed law would also limit state taxes imposed in the years 1981 through 1984 to an amount no greater than that imposed the previous year, increased by the percentage increase in the personal income of Massachusetts residents in the previous year. This state tax limit could be exceeded only to increase local aid or to assume other costs approved by a two-thirds vote of the state legislature. The amounts necessary to pay principal and interest on state indebtedness, pensions, retirement allowances, unemployment compensation, and court judgments, and money required to be raised as a condition of a federal grant would not be subject to the state tax limit. The total amount of local aid for any year which would be subject to legislative appropriation could not be less than the total amount of aid for the preceding year increased by half the increase in collected state taxes during that preceding year. The state tax limit would be reduced by any excess taxes actually collected over the tax limit for the preceding year.

The proposed law also would require, subject to legislative appropriation, a gradual increase in the percentage of local educational costs paid by the Commonwealth to a level of 50% in 1984. The proposal would also required, again subject to legislative appropriation, that school aid paid by the Commonwealth in any year between 1981 through 1984 must be at least 15% greater than that provided in 1980.

QUESTION 4

REFERENDUM ON AN EXISTING LAW

Do you approve of a law summarized below, *which was approved by the House of Representatives on November 1, 1979, by a vote of 83-62, and which was approved by the Senate on November 1, 1979?*

YES	
NO	

SUMMARY

The law provides for increases in the salaries of members of the legislature and the constitutional officers of the Commonwealth.

The law increases salaries of members of the legislature by an annual amount varying from \$1,853 to \$17,923. The size of the raise conferred on a particular individual depends upon his position within the legislature. The law has the effect of setting the base salary for a legislator at \$20,335, but under the law legislative salaries range as high as the approximately \$55,920 paid to the President of the Senate and the Speaker of the House of Representatives.

The salaries of the constitutional officers are increased either by \$20,000, in the case of the Governor, or \$10,000 in all other cases. The law raises the annual salary of the Governor to \$60,000, that of the Attorney General to \$47,500, and the salaries the Lieutenant Governor, Secretary of the Commonwealth, Treasurer and Receiver General, and the Auditor to \$40,000.

The law also amends the statutes pertaining to the organization of the offices of the Secretaries of Administration and Finance and of Human Services and to the compensation of senior officials within those offices. It gives the Secretaries of Administration and Finance and of Human Services greater flexibility in establishing positions and setting salaries for those under their supervision.

QUESTION 5

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the Constitution summarized below, *which was approved by the General Court in joint sessions of the House of Representatives and the Senate on November 30, 1977, by a vote of 257-8, and on September 18, 1980, by a vote of 179-6?*

YES	
NO	

SUMMARY

The proposed amendment would limit the power of the legislature to impose certain costs on cities and towns. It would provide that any law which imposes additional costs upon two or more cities or towns by regulating the compensation, hours, status, conditions, or benefits of municipal employment would not be effective within a municipality until it accepts the law by vote or appropriation of money. Local acceptance would not be required if the legislature either passed the law by a two-thirds vote, or provided, during the same session in which the law was enacted, that the additional costs would be assumed by the Commonwealth.

QUESTION 6

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the Constitution summarized below, *which was approved by the General Court in joint sessions of the House of Representatives and the Senate on September 7, 1977, by a vote of 264-0, and on September 19, 1980, by a vote of 162-0?*

YES	
NO	

SUMMARY

The proposed amendment would change the procedure by which the Legislature declares a measure to be an emergency law, making it effective when it is signed by the Governor. The amendment would allow the Legislature to make such a declaration by a voice vote, rather than by a recorded vote, as now required. The amendment would maintain the existing option allowing for a formal roll call vote.

The polls will be open from 8 a.m. to 8 p.m.

And you are hereby directed to serve this warrant by publishing at least seven days before said meeting an attested copy of this warrant in the Milford Daily News, a newspaper published and having a general circulation in the Town of Milford, and by posting at least seven days before said meeting attested copies of this warrant in five or more public places located in said Milford.

Hereof fail not and make return of this warrant with your doings thereon to the Clerk of said Town at the time and place of said meeting.

Given under our hands this 20th day of October A.D. 1980.

SPECIAL TOWN MEETING

November 12, 1980

At 7:15 p.m. Town Clerk Katherine E. Cullinan held an election in Precinct 2. Moderator Noferi announced that Robert M. Tocchi, 13 Broad Street, was elected to fill a 3-year vacancy term in Precinct 2 to serve until the next annual town election.

The meeting was called to order by Moderator Noferi at 7:30 p.m. The Monitors reported 129 persons present, a sufficient number to constitute a quorum.

The Town Clerk read the Warrant and the Officer's return thereon. Radio Station WMRC was granted unanimous consent to broadcast the meeting.

Leonard Lynch, Chairman of the Finance Committee gave a verbal report as each article was presented.

Article 1. To see if the Town will vote to amend Section 3.11 of the Zoning By-Law by deleting from said By-Law the first sentence and inserting in place thereof the following:

"Housing for the Elderly-Multi-Family dwellings, and accessory structures and facilities, which are constructed for or by, and operated and maintained by the Milford Housing Authority for use by the elderly, shall be permitted within any residential district notwithstanding the provisions of Section 2.3, above or take any other action in relation thereto." (Milford Housing Authority)

Voted: That the Town amend Section 3.11 of the Zoning By-Law by deleting from said By-Law the first sentence and inserting in place thereof the following: "Housing for the Elderly-Multi-Family dwellings, and accessory structures and facilities, which are constructed for or by, and operated and maintained by the Milford Housing Authority for use by the elderly, shall be permitted within any residential district notwithstanding the provisions of Section 2.3 above."

Article 23. To see if the Town will vote to amend Article 15A of the Town General By-Laws as follows:

1. Insert after Section 3, the following Section 3A:

Section 3A — License and Tags

Any owner or keeper of a dog three months of age or older shall by April 1, cause the dog to be registered, numbered, described and licensed with the Town Clerk — in accordance with M.G.L. Chapter 140, as amended. The license shall be valid until the following March 31. The fee for such a license shall be in accordance with M.G.L. Chapter 140, Section 139, as amended. Should any owner or keeper of a dog fail to license his/her dog before May 1, the owner or keeper shall pay a late fee of five dollars plus an additional fee of one dollar per week beginning May 1.

2. Delete the last sentence under Section 4 and insert in place thereof the following:

"The Owner of any dog so impounded may claim such dog upon the reimbursement to the Dog Officer of the expenses incurred for maintaining such dog according to the following fee schedule:

- \$2.00 for each twenty-four hour period or any part thereof that the dog is held.
- \$5.00 for initial handling and pick-up of the dog.

Prior to its release, the owner of said dog shall obtain a license from the Town Clerk as provided in Section 3A."

3. Insert after Section 6 the following:

Section 7 — DISPOSITION OF FUNDS

Any funds collected pursuant to the provisions of this by-law by the Dog Officer shall be accounted for and paid over to the Town Treasurer at such time and in such manner as may be designated by the Town Treasurer."

(Board of Selectmen)

Voted: That the Town amend Article 15A of the Town General By-Laws as follows:

1. Insert after Section 3, the following Section 3A:

Section 3A — License and Tags

Any owner or keeper of a dog three months of age or older shall by April 1, cause the dog to be registered, numbered, described and licensed with Town Clerk in accordance with M.G.L. Chapter 140, as amended. The license shall be valid until the following March 31. The fee for such a license shall be in accordance with M.G.L. Chapter 140, Section 139, as amended. Should any owner or keeper of a dog fail to license his/her dog before June 11, the owner or keeper shall pay a late fee of three dollars.

2. Delete the last sentence under Section 4 and insert in place thereof the following:

"The Owner of any dog so impounded may claim such dog upon the reimbursement to the Dog Officer of the expenses incurred for maintaining such dog according to the following fee schedule:

- a. \$2.00 for each twenty-four hour period or any part thereof that the dog is held.
- b. \$5.00 for initial handling and pick-up of the dog.

Prior to its release, the owner of said dog shall obtain a license from the Town Clerk as provided in Section 3A."

3. Insert after Section 6 the following:

"Section 7

Disposition of Funds

Any funds collected pursuant to the provisions of this by-law by the Dog Officer shall be accounted for and paid over to the Town Treasurer at such time and in such manner as may be designated by the Town Treasurer."

Article 25. To see if the Town will vote to petition the General Court for Special Legislation to permit the Town of Milford to establish a claims fund from which may be paid claims against the Town for injury to persons or property, said Special Legislation to provide as follows:

SECTION 1. Notwithstanding the provisions of any law to the contrary, the Town of Milford may, by vote at a Town Meeting, establish and maintain a claims fund from which may be paid claims against said Town for injury or loss of property or personal injury or death for which said Town may be liable. Said Town, by a vote of a Town Meeting, may appropriate for such fund an amount not exceeding in any one year one-tenth of one percent of its equalized valuation. Such fund shall be managed and administered by the Commissioners of trust funds of said Town. Said Town may appropriate from such fund, including the income thereof, such sums as may be necessary for the purpose of paying a proper charge for insurance to cover liabilities.

SECTION 2. The Town may, by vote of its Town Meeting, combine the assets of the fund established pursuant to this section and the funds set aside pursuant to sections thirteen and thirteen A of Chapter forty of the General Laws and such revolving fund may be used for all purposes set forth in said sections thirteen and thirteen A; provided, however, that no monies from the combined fund shall be used to restore municipal buildings, damaged or destroyed by fire. The Town by vote of its town meeting may establish regulations and guidelines concerning disbursement from the combined fund.

SECTION 3. This act shall take effect upon its passage, or take any other action in relation thereto. (Board of Selectmen)

Voted: That the Town petition the General Court for Special Legislation to permit the Town of Milford to establish a claims fund from which may be paid claims against the Town for injury to persons or property, said Special Legislation to provide as follows:

SECTION 1. Article 16. To see if the Town will vote to accept the provisions of Sections 16A through 16F of Chapter 83 of the General Laws, which sections provide that any rates and charges for supplying or providing for a sewer system or rendering service or furnishing materials in connection therewith to or for any real estate at the request of the owner or tenant which are not paid on or before their due date shall be a lien upon such real estate and may be collected in the manner provided by law for the collection of taxes, or take any other action in relation thereto. (Sewer Commissioners)

Voted: To pass over the article — voice vote unanimous.

Article 17. To see if the Town will vote to amend the General By-Laws by inserting after Article 21, the following new Article 22:

YARD SALE BY-LAW

SECTION 1 — PURPOSE:

It is the intent of this By-Law that a mechanism be provided to place reasonable and appropriate controls on the activity of offering for sale second-hand articles within residential areas of the community. It is also the intent of this By-Law to ensure that groups, individuals or corporations who customarily engage in the sale of second-hand article as a business are limited to those locations within the Town that are designated by the Zoning By-Laws for such business activities.

SECTION II — DEFINITIONS:

YARD SALE: The sale for not more than two consecutive days of old or used article upon residential property where the material to be sold originates from said property or from other residential properties in the immediate neighborhood.

PERMITTING AGENCY — BOARD OF SELECTMEN

ENFORCING AGENCY — POLICE DEPARTMENT

SECTION III:

1. Yard sales may be held in the Town of Milford pursuant to a permit granted by the Board of Selectmen pursuant to the following conditions:

- The number of yard sales an owner or resident or qualified organization may conduct shall be limited to three (3) per calendar year.
- All material available for the sale shall originate from the premises on which the sale takes place, or from other residential properties in the immediate neighborhood.
- No person customarily engaged in the business of conducting yard sales shall participate in any way in a yard sale directly or indirectly unless said yard sale is conducted on said person's property, and then only providing none of the materials is brought in from outside sources for the purpose of resale.
- Such sale shall not exceed two (2) days duration.

2. The Selectmen, upon request, may waive the requirement that all material to be sold originate from the property on which the sale is to take place provided that the sale is under the sponsorship of a Milford based non-profit organization whose purpose is to provide service of charitable work.

SECTION IV — PROCEDURE:

1. Any persons, organization, or corporation, intending to conduct a Yard Sale, or any similar activity by a different name, shall make application for a permit to conduct such activity at the Office of the Board of Selectmen no less than five (5) days prior to the date of the proposed activity.

2. If an application is favorably acted upon by the Board, a permit shall be issued to the person, organization, or corporation, to conduct such activity and said permit shall be available at all times on the site during the term of the sale.

SECTION VI — ENFORCEMENT:

1. The Police Department shall be responsible for enforcement of these Rules and Regulations and upon request of a police officer, any persons conducting any activity governed by these Rules and Regulations, shall make available for inspection by the police officer the permit granted by the Board of Selectmen.

2. A person found by a police officer not to be in compliance with the Rules and Regulations as heretofore set forth shall, upon such police officer's order, cease such activity immediately or comply with the directive of the police officer to bring into conformity that portion of the activity which is deemed to be in violation of these Rules and Regulations.

3. If a duly authorized Yard Sale in the opinion of the Commanding Officer of a particular shift, is creating a safety hazard through the parking of vehicles by the individuals attending the sale, the Commanding Officer may direct such permittee to remedy the situation.

4. Whoever violates any provisions of these Rules and Regulations shall be subject to a fine for each offense not exceeding \$10.00.

SECTION VII — GENERAL:

1. Nothing contained in these Rules and Regulations shall require the Board of Selectmen to issue a permit, if in the Board's opinion, the public interest would be adversely affected by so doing.

2. The Board of Selectmen may waive strict compliance with any of the above Rules and Regulations if after its examination of the facts in a particular case such waiver can be granted without derogating from the intent of these Rules and Regulations, or take any other action in relation thereto. (Board of Selectmen)

It was moved and seconded to pass over the article and it was so voted — voice vote carried.

Article 18: To see if the Town will vote to amend the Personnel Wage and Salary Administration Plan by deleting the vacation schedule which was adopted in Article 22 at the April 16, 1980 Adjourned Annual Town Meeting by inserting the following:

After one year of continuous service, two weeks
After five years of continuous service, three weeks
After twelve years of continuous service, four weeks
After twenty years of continuous service, five weeks

or take any other action in relation thereto. (Board of Selectmen)

Voted: That the Town amend the Personnel Wage and Salary Administration Plan by deleting the vacation schedule which was adopted in Article 22 at the April 16, 1980 Adjourned Annual Town Meeting and by inserting the following:

After one year of continuous service, two weeks

ANNUAL TOWN MEETING

(Continued)

May 18, 1981

Article 1. To hear and act upon reports of all Town Officers and Committees of said Town.

At this time Moderator Noferi called for reports and resolutions under Article 1.

Mr. Gary E. Castiglioni presented the following report:

REPORT ON THE MILFORD SCHOOL BUILDING COMMITTEE

May 18, 1981

The Report presented tonight is regarding the progress of the Milford Middle School Building Committee. At last year's Annual Town Meeting \$15,000.00 was appropriated to perform a 10-year Enrollment Projection Study and to develop architectural, engineering plans and specifications for the possible renovation of the Middle School Main Building situated on 66 School Street in Milford, MA.

The Committee commenced deliberations toward these (2) areas in July of 1980. Mr. Anthony DeLuzio was chosen to conduct the Enrollment Projections. The Committee interviewed (6) architectural firms and after several meetings chose the firm of Hill, Miller, Friedlaender, Hollander, Inc., of Cambridge, MA for the architectural study of the edifice.

For background information, the Middle School West Building (or the old Milford High School) was constructed in 1935. Since that period no real renovations have occurred in the building. For many years now

parents, teachers, children have complained that if the building is going to be utilized in the 1980's that some renovation should be performed in order to create a more comfortable, safe situation and also be more conducive to learning. The problems of the building for many years have been the electrical, plumbing, heating, ventilations systems. Other factors are handicap accessibility and more efficient energy system. Past School Committees have pondered over the type of renovations required, piece meal or total renovation with state reimbursement.

The question at hand before us was do we need two Middle School Buildings? Mr. DeLuzio presented to the Building Committee the ten-year enrollment projection from (1980-1990).

Presently we have in the Milford School System 4600 children and 1200 at the Middle School level.

The projection of 1990 states the number of Middle School age children will be from a range of 625 which represents a "Lower Bound Projection" or a "Worse Case Situation" to "The Working Projection" or "The Most Likely Projection" which predicts the number of children to be 950 by 1990.

The above projections do not take into account a change in the economy which will stimulate the housing industry, or possible changes in the apartment moritorium and possible industrial developments locating in the Town of Milford. The above data was based on past birth rates, housing permits of the past and the pre-school census. The information was then correlated and computed in statistical formulas (from studying the figures it is highly probable that the Town of Milford will need (2) Middle School Buildings in the 1980's to house the children).

The architectural firm in its study found the exterior of the edifice to be both sound and aesthetic. However, the following areas need renovation and repair:

1. Heating and Ventilating System
2. Electrical and Plumbing
3. All Windows must be replaced
4. Handicap accessibility
5. Bringing the Building up to State Code

The firm presented (5) possible proposals for renovation which the Committee has tabled for the present.

Option I — Essential Renovation only without state reimbursement—the cost is \$898,000.00.

Option II, III, IV are options consisting of moderate renovation to substantial rehabilitation with various new construction such as cafeteria, gymnasium, expanded classroom space, etc.

The Building committee is cognizant and truly sensitive to the present financial situation as a result of Proposition 2½. The Committee is only concerned in recommending an option which will improve the inadequate conditions of the building at the lowest cost to the taxpayers of the Town of Milford.

In this period of uncertainty, the Committee had decided to table all options. To do otherwise would be unwise and unfair to the Town.

The Building Committee and I are recommending that you allow the Committee to remain intact and further study this problem with the assistance of town officials. Then possibly in the future, we may decide on a proper course of action, any further decision or report will be brought back to this body. (The Enrollment Projections and Architectural Studies are available for the public observation in the Superintendent's Office.)

I sincerely thank all the members for their diligent efforts and especially, the Treasurer, Barry Marcus, for his astute financial record-keeping.

This concludes the report of the Milford Middle School Building Committee.

Respectfully submitted:

Dino Debartolomeis, Chairman
Building Committee

Mr. Barry J. Marcus presented the following report.

Chairman of Selectman John A. Beccia, Jr. presented the following resolution:

RESOLUTION

WHEREAS, the citizens of Milford have learned, with a profound feeling of regret and sorrow, for the untimely passing of Walter F. Conley; and

WHEREAS, Walter F. Conley served this community faithfully and unselfishly as a loyal citizen and town meeting member in Precinct 4, a member of the Milford Police Department for thirty-one years, a member of the Fino Field Committee and a former Commander of the American Legion; and

WHEREAS, the untimely passing of Walter F. Conley, represented the greatest sacrifice a police officer can make in the performance of his duties and the protection of his fellow citizens.

THEREFORE, BE IT RESOLVED: That as a mark of respect, the business of the meeting be suspended while members stand in solemn and silent tribute to his memory.

AND BE IT FURTHER RESOLVED, that a copy of these resolutions be forwarded to his family and that these resolutions be published in the next annual Town Report.

Selectman Harris M. Tredeau presented the following resolution:

Article 7. To see if the Town will vote to authorize the Selectmen to sell by sale or public auction any or all real estate owned by the Town by reason of foreclosure of tax titles thereon and to execute, acknowledge and deliver a proper deed or deeds therefore, authority to terminate June 30, 1982, or take any other action in relation thereto.
(Board of Selectmen)

Voted: That the Town authorize the Selectmen to sell by sale or public auction any or all real estate owned by the Town by reason of foreclosure of tax titles thereon and to execute, acknowledge and deliver a proper deed or deeds therefore, authority to terminate June 30, 1982.

Voice vote unanimous.

Article 8. To see if the Town will vote to amend the Milford Zoning By-Law by deleting therefrom the present Section 3.11 "Housing for the Elderly" and inserting in place thereof the following:

Section 3.11 Housing for the Elderly

Multi-family dwellings, and accessory structures and facilities, which are constructed for or by, and operated and maintained by the Milford Housing Authority for use by the Elderly, shall be permitted within any residential zoning district notwithstanding the provisions of Section 2.3, above. Such dwellings shall be permitted only upon the issuance of a Special Permit by the Planning Board. No such Special Permit shall be issued by the Planning Board unless each of the following minimum requirements is met.

- The lot area, building coverage, open space and height requirements for multi-family dwellings in the RA District, as specified in Section 2.5, above, shall be modified in their application to such multi-family dwellings for the elderly as follows:

MINIMUM LOT REQUIREMENTS

Milford's Historical Commission Report to Town Meeting Members and Fellow Milfordians

June 22, 1981

On behalf of the members and associate members of the Historical Commission we would like to give a report on the book budget that was appropriated in May 1979. We were given \$8,000 to print the History of Milford. There were 500 hardbound and 750 paperbound copies printed of which we have sold all but 250 paperbound copies and returned to the Town \$7,600 of the \$8,000. As soon as these copies are sold we will return the remaining \$400 to the Town Treasurer.

Respectfully submitted,
Marilyn Lovell, Secretary
Robert M. Andreola, Chairman

Members: Robert Samiagio, Rosamond Cooper, Arthur Floyd,
Ronald Longobardi, Dr. James Buckley.

Associate

Commissioners: Marguerite Hayes, Anne Lamontagne,
Thelma Floyd, Helen Know, Robin Philbin,
Harold Faulkner, Crystal Kunz, Warren Kunz.

Voted: To accept the report of the Milford Historical Commission — voice vote unanimous.
